<sup>1</sup> ADRs may be subject to custody fees. Fee information can be obtained from each ADR's custodial bank

<sup>2</sup> Per price query. (Not charged by Apex)

<sup>3</sup> Additional wire transfer fees charged by any originating or recipient bank may apply

<sup>4</sup> Confirms and statements are sent electronically to the email address provided by clients in their account opening application. However, if the email address fails to receive the email, clearer is required to send paper statements, confirms, and prospectus to the mailing address on file

<sup>5</sup> Most customer accounts are transferred between broker-dealers through an automated process. National Securities Clearing Corporation (NSCC) operates the Automated Customer Account Transfer Service (ACATS) to facilitate the transfer of a customer account from one broker-dealer to another
